

Studio Pod Opens New Houston Location with MetroNational, Enhancing Headshot Services for Workers and Professionals

Studio Pod's new Houston location, in partnership with MetroNational, offers headshot photography services for professionals and remote workers.

HOUSTON, TEXAS, USA, August 12, 2024 /EINPresswire.com/ -- Since its establishment, Studio Pod has changed the game in how professionals capture top-notch headshots and profile pictures. Co-founded by photographers Chris Bailey and Joseph West, Studio Pod was created to make photography simple, convenient, and consistently exceptional. With this new location, Studio Pod is ready to offer convenience and accessibility to Houston's vibrant professional community.

StudioPod opens its newest automated photography studio at MetroNational's West Side Complex in Houston, offering convenient, high-quality headshots for professionals on the go.

The new Studio Pod location in MetroNational perfectly aligns with the mission to support the workforce. MetroNational has provided a space for Studio Pods cutting-edge automated studio where users can have their portraits taken at their convenience. This collaboration ensures that more businesses and remote workers can benefit from our premium services, whether on-site or working remotely.

Customers enjoy the advantages of top-notch lighting and a premium camera that produces exceptional outcomes. They have the opportunity to view their photos in real-time and receive copies straight to their email directly following their photo shoot. Furthermore, their customized online gallery provides expert-level editing and digital backdrop changes offering customers refined and impressive images.

As the work culture in Houston evolves, Studio Pod remains committed to providing efficient

portrait services. Their new location in collaboration with MetroNational underscores our dedication to meeting the changing demands of today's workforce.

For more information on Studio Pod's services and to book a session at their new Houston location, please visit www.thestudiopod.com.

About Studio Pod:

Studio Pod, established by Chris Bailey and Joseph West, provides a solution for professional-quality headshots and pictures. Prioritizing convenience, the Studio Pods studio enables individuals to take portraits at their convenience. Photos are received instantly and users have the option to add professional services, such as retouching and custom backdrops.
