Tameeka, a loyal Joyleaf customer, shared her experience: "I'm really impressed with Joyleaf overall! Coming from the west coast where the dispensaries and prices are A1. The prices at Joyleaf are pretty decent for leaf compared to a few others that I've purchased from. And the customer service is very good and helpful. Even the security guard in the lobby has such a pleasant and welcoming personality which is very much appreciated. Overall this is my new spot I'm locked in! Oh, and P.S. giving points with every purchase is great, definitely gives west coast dispensary vibes."
