

# Local Plumbing Experts Celebrate Milestone with Special August Promotions

*Budget-Friendly Upgrades: Energy-efficient water heaters & professional same-day installation from I Need The Plumber & Air Conditioning.*

PORT ST LUCIE, FLORIDA, UNITED STATES, August 12, 2024

/EINPresswire.com/ -- [I Need The Plumber & Air Conditioning](#), a trusted name in St. Lucie County's plumbing and HVAC services, today announced the launch of their new website, [portstlucie.plumbing](http://portstlucie.plumbing).

To celebrate this milestone, the company is offering free estimates on any style and size residential [water heater](#), along with waiving dispatch fees for all plumbing services throughout August.

The new website aims to provide an enhanced user experience for local homeowners seeking reliable plumbing and air conditioning services. It features easy navigation, detailed service information, and a user-friendly interface for scheduling appointments.

“

It's crucial to ensure the job is done correctly, with all necessary permits in place. Skipping this vital step or opting for DIY solutions can lead to costly issues down the line.”

“We're thrilled to unveil our new online home at [portstlucie.plumbing](http://portstlucie.plumbing),” said Martin Carpenter, Master Plumber at I Need The Plumber & Air Conditioning. “This launch represents our commitment to accessibility and customer service. We're coupling this digital step forward with tangible benefits for our community - free water heater estimates and no dispatch fees this August.”

The company is placing special emphasis on water heater services, recognizing the critical nature of this home appliance. “Getting a new water heater or replacing an old one is a significant

decision for any homeowner," Maritza explained. "It's crucial to ensure the job is done correctly, with all necessary permits in place. Skipping this vital step or opting for DIY solutions can lead to costly issues down the line."

I Need The Plumber & Air Conditioning stresses the importance of professional installation, which they can often complete on the same day. Their team of licensed experts ensures all work is up to code, preventing potential problems that could arise from improper installation.

"Many licensed plumbers will not touch repairs if the installation was done by an unlicensed individual," Maritza added. "This underscores why professional installation is not just a convenience, but a necessity for long-term home maintenance and safety."

Established 30 years ago, I Need The Plumber & Air Conditioning are the plumbers in Port St. Lucie with a commitment to excellence, integrity, and customer satisfaction. The company's core values include providing top-quality service, employing skilled professionals, and maintaining strong community ties.

Local homeowners are encouraged to visit [portstlucie.plumbing](http://portstlucie.plumbing) to explore the new website and take advantage of the August promotions. For more information or to schedule a service, please call (772) 362-2750.
