He was told to renounce his belief in God or face certain death. He chose God. In this powerful story we follow the lives of two Ukrainian natives-Peter and Irina Tkachuk, who went against the cultural norm of their country and chose to follow God. Through uncertainty and an authoritative rule, they chose radical obedience. The Tkachuks took the charge to share the Kingdom with those around them from school age children to wounded soldiers. [The Ark of Ukraine](https://mybook.to/TheArkofUkraine) is more than a missionary's memoir. The moving testimonials and resilient faith exhibited by the people in these pages is captivating and moving. The work they did and the lives they touched are nothing short of a miracle. This book will ignite your faith and inspire you to do your part in sharing the light and life of the Kingdom. Grab your copy of The Ark of Ukraine today.
