

Worth Magazine Launches Impact 150 List in Partnership with Karma Wallet

NEW YORK, NY, UNITED STATES, August 7, 2024 /EINPresswire.com/ -- Worth Magazine is proud to announce the launch of its inaugural [Impact 150](#) list, celebrating 150 companies that have demonstrated exceptional commitment to addressing the United Nations Sustainable Development Goals (SDGs). This initiative, in partnership with Karma Wallet, highlights a diverse range of businesses from innovative growth-stage companies to some of the largest publicly traded corporations. Worth will reveal the complete list and accompanying editorial content at [worth.com/impact150](#). Individuals interested in receiving a notification upon the list's release can submit a request to [worth.com/impact150](#).

In today's world, the intersection of business success and social responsibility has never been more crucial. The Impact 150 list aims to spotlight companies that are not only excelling in their respective industries but are also making significant strides in sustainability, social impact, and corporate responsibility.

"We are thrilled to partner with Karma Wallet to bring the Impact 150 list to life," said Josh Kampel, CEO of Worth Media. "At Worth, we believe in the power of recognizing those who are doing well and doing good. This list is a testament to the incredible work being done by companies around the world to create a positive impact on society and the environment."

Karma Wallet has a comprehensive database of ratings on 18,000+ company's social and environmental impact, which was instrumental in the creation of the Impact 150 list. Their expertise and dedication to tracking and evaluating corporate social responsibility initiatives

have ensured that the list features companies that are truly making a difference.

"Partnering with Worth Magazine on the Impact 150 list aligns perfectly with our mission to promote and support sustainable and socially responsible business practices," said Kedar Karkare, PhD, Co-Founder of Karma Wallet. "We are excited to showcase the companies that are leading the way in addressing the UN SDGs and inspiring others to follow suit."

The companies included in the Impact 150 list have been selected based on a rigorous evaluation process, considering their contributions to the UN SDGs, innovation in sustainability, and overall impact on society. The list features a wide range of industries, demonstrating that the commitment to sustainable development transcends all sectors.

Worth will present the Impact 150 awards as part of their [Techonomy Climate](#) event during the UN General Assembly and NY Climate Week on September 25th in New York City. To secure tickets register at Worth.com/climatenyc.
