“Cobb Outpatient Detox plays a vital role in our community. Partnering with our accountability courts demonstrates commitment on the part of our community to reverse the root causes of addiction, placing those afflicted with drug addiction on the path of restoration. The common goal of our criminal justice system is providing for the health and safety of all our citizens,” said Cobb County District Attorney Flynn Broady Jr. regarding the partnership.

The partnership is set to significantly benefit individuals participating in the various court programs by aligning with the courts’ objectives of rehabilitating participants and diverting them from the traditional criminal justice system. By providing the necessary tools and support for a productive and law-abiding lifestyle, this collaboration aims to reduce recidivism and enable participants to function and contribute positively within the community.

## Implementation and Enrollment

The partnership officially launched on August 1, 2024. Individuals will be referred to Cobb Outpatient Detox by the Cobb County Superior Accountability Courts. This streamlined process ensures that those in need can access services quickly and efficiently.

## Community and Broader Impact

Aligned with broader community goals in Cobb County, this partnership strives to reduce participant recidivism and support individuals in becoming contributing members of society. By offering a lifeline to those at risk, Cobb Outpatient Detox and the Cobb County Superior Accountability Courts are working together to foster a healthier and safer community.

We work directly with you to compassionately address your unique addiction issues.
