

BOOST LLC Receives Prestigious 2024 Lunch Pail 100 Award

*Government contracting success story
recognized by Virginia Tech*

RESTON, VIRGINIA, U.S.A., August 7, 2024 /EINPresswire.com/ -- [BOOST LLC](#) is proud to announce its recognition as one of the 2024 Lunch Pail 100 Award recipients. This prestigious award recognizes companies exemplifying innovation, resilience, and entrepreneurial success.

BOOST LLC: Premier Back-Office Solutions for GovCons

The Lunch Pail 100 Award honors the top 100 Hokie-led companies demonstrating outstanding innovation, resilience, and a commitment to economic growth. The selection process was conducted by the esteemed Lunch Pail Ventures Leadership Circle, which meticulously evaluates submissions and nominations from across the country.

“

To be recognized by Virginia Tech is an honor. Their undergrad and MBA programs gave me the foundation to create a growing organization that helps businesses thrive in federal contracting.”

*Stephanie Alexander, BOOST
CEO and founder*

“I am a Hokie, through and through. To be recognized by Virginia Tech is an honor. Their undergrad and MBA programs both gave me the foundation to create a growing organization that continues to help businesses thrive in federal contracting. Virginia Tech has been instrumental in fostering an entrepreneurial environment,” said Stephanie Alexander, BOOST CEO and founder.

[About Lunch Pail Ventures](#)

Lunch Pail Ventures is a global network created by Virginia Tech alumni-entrepreneurs. Their goal is to provide entrepreneurial resources to alumni, former students, and friends of Blacksburg in an open and welcoming community.

[About BOOST LLC](#)

BOOST LLC was established to support government contractors (GovCons) in scaling their operations with our comprehensive back-office and corporate support services. We provide government-compliant back-office solutions, operational support, and candid business advice. Our team of experienced professionals, driven by entrepreneurial spirit, is dedicated to helping small businesses succeed in government contracting.
