

Yangguang City No.9 by Saiwen Liu Wins Silver in A' Interior Design Awards

Saiwen Liu's Exceptional Residential Design Recognized for Excellence by International Jury

COMO, CO, ITALY, August 7, 2024 /EINPresswire.com/ -- The A' [Design Award](#), one of the world's most respected competitions in the field of [interior](#) design, has announced Yangguang City No.9 by [Saiwen Liu](#) as a Silver Award winner in the Interior Space and Exhibition Design category. This highly coveted recognition underscores the exceptional quality and innovation of Saiwen Liu's residential design, which stood out among entries from leading designers and brands worldwide.

Yangguang City No.9's success at the A' Interior Design Awards holds

significant relevance for the interior design industry and its clientele. The design's recognition by an international jury of experts validates its alignment with current trends and best practices in the field. Moreover, it showcases the practical benefits of well-executed interior design in enhancing the functionality, aesthetics, and overall living experience within residential spaces.

Saiwen Liu's award-winning design distinguishes itself through its masterful use of space, innovative application of materials, and seamless integration of aesthetic and functional elements. Inspired by the elegance of phoenix tail feathers, the design features orderly arranged wall shapes that accentuate the dimensions of the space, complemented by embedded light strips that evoke a sense of movement and grace. The incorporation of natural shell terrazzo and common red bricks not only reduces material costs but also contributes to sustainability and indoor humidity regulation, making the design particularly well-suited to the dry climate of Xi'an, China.

Yangguang City No.9

The Silver A' Design Award for Yangguang City No.9 marks a significant milestone for Saiwen Liu and serves as an inspiration for future projects. This recognition is expected to fuel further innovation and exploration in the designer's work, as well as set a new benchmark for excellence in the interior design industry. The award also serves as a testament to the dedication and talent of the entire design team, motivating them to continue pushing the boundaries of creativity and functionality in their future endeavors.
