Mission and Vision

Paddle Pickler was created with the mission to democratize access to high-quality pickleball education and equipment insights. "Our vision is to create a supportive and informative environment where players

can thrive," said Sid Edmondson, co-founder of Paddle Pickler. "We want to help players of all levels improve their skills and enjoy the game more."

Key Features and Offerings

Paddle Pickler stands out with its comprehensive range of features designed to support the

pickleball community:

Expert Tutorials: Detailed tutorials that cover all aspects of pickleball, from beginner basics to advanced strategies.

Unbiased Equipment Reviews: Honest and thorough reviews of pickleball paddles and gear, ensuring players make informed choices.

Paddle Fitting Quiz: A unique tool to help players find the perfect paddle based on their playing style and preferences.

Community Insights: A platform for players to share experiences, tips, and advice, fostering a strong and supportive community.

Background of the Founders

Paddle Pickler logo

The founders of Paddle Pickler bring a wealth of experience and passion to the platform. Sid Edmondson, a seasoned pickleball player and coach, has a deep understanding of the game and its nuances. Marlys Coon, with a background in sports equipment research, ensures the reviews are detailed and unbiased. Fermin Mize, a community organizer, focuses on building and nurturing the Paddle Pickler community.

Achievements and Milestones

Since its soft launch earlier this year, Paddle Pickler has already garnered a loyal following. The platform's paddle fitting quiz has been particularly popular, helping hundreds of players find their ideal paddle. "The feedback has been overwhelmingly positive," said Marlys Coon. "Players appreciate the depth of our reviews and the practical advice we offer."

Future Plans

Looking ahead, Paddle Pickler plans to expand its content library with more advanced tutorials and introduce interactive features such as live Q&A sessions with experts and virtual coaching. "We're excited about the future and committed to continually improving and growing our platform," said Fermin Mize.
