□Dental Implants: Dental implants are a permanent and natural-looking solution for missing teeth. They provide numerous benefits, including the prevention of jawbone loss and the preservation of facial structure. Family Smile Dental is a preferred provider of dental implants, known for its expertise and personalized care.

□Veneers: Veneers are an excellent choice for individuals looking to correct minor dental imperfections such as gaps, chipped teeth, and discoloration. The process involves custom-designed porcelain or composite resin veneers that offer a durable and aesthetically pleasing result.

□Invisalign: For those seeking a discreet and comfortable alternative to traditional braces, Invisalign offers clear aligners that effectively correct various orthodontic issues. Family Smile Dental is a Platinum provider of Invisalign, successfully treating over 300 patients with this innovative system.

□Crowns and Bridges: Crowns and bridges are essential restorative treatments for repairing damaged teeth and replacing missing ones, ensuring patients maintain a functional and beautiful smile.

Family-Oriented Dental Care - Family Smile Dental emphasizes the importance of comprehensive care for all ages, making it an ideal choice for families. Their pediatric dentistry services ensure children receive early and effective dental care in a comfortable and friendly environment. By focusing on preventative care and education, Family Smile Dental helps young patients develop healthy dental habits that last a lifetime.

Advanced Dental Technology - Family Smile Dental is committed to providing the highest quality of care through advanced dental technologies. The practice utilizes digital sensors, iTero® scanners for precise imaging, SOL® desktop lasers for accurate procedures, and dental diode lasers for germ reduction and scar-free healing. This cutting-edge technology ensures patients receive the most effective and comfortable treatments.

About Family Smile Dental - Family Smile Dental is known for its commitment to patient-centered care and the use of advanced dental technologies. The practice is home to highly qualified dentists, including Dr. Michael Irlin, Dr. Michael Gelfand, Dr. Anna Suler, Dr. Alina Draganchyuk, Dr. Dilnoza Sobirova, and Dr. Brian Sirotnikov. Each dentist brings extensive experience and a compassionate touch to their work, ensuring that every patient receives top-quality care.
