INC 5000 METHODOLOGY

The Inc. 5000 list of the fastest-growing privately held companies is considered by many to be a top hallmark of entrepreneurial success. The Inc. 5000 ranks companies by overall revenue growth over a three-year period. Companies on the 2024 Inc. 5000 are ranked according to percentage revenue growth from 2020 to 2023. To qualify, companies must have been founded and generating revenue by March 31, 2020. They must be U.S.-based, privately held, for-profit, and independent -- not subsidiaries or divisions of other companies.
