

# Cenegenics Selected to Feature in World Impact Productions' "Breakthroughs" PSA Campaign

*Pioneering Age Management Leader  
Cenegenics to be Highlighted for Their  
Innovations in Anti-Aging and Preventive  
Healthcare*

MIAMI, FL, US, August 8, 2024  
/EINPresswire.com/ -- World Impact  
Productions is pleased to announce  
that [Cenegenics](#), a global leader in age  
management and preventive  
healthcare, has been selected to  
feature in their esteemed Public  
Service Announcement (PSA)  
campaign, "Breakthroughs." The  
"Breakthroughs" series is dedicated to  
showcasing breakthrough technologies  
and advancements that are  
transforming industries and enhancing  
lives.

World Impact Productions has become a world leader  
in Public Service Announcements

Cenegenics has been at the forefront of age management for over 25 years, transforming the way they approach aging through personalized, evidence-based programs that focus on optimizing health and promoting longevity. By tailoring plans to individual needs and integrating cutting-edge diagnostics, Cenegenics ensures comprehensive care that goes beyond traditional medicine.

“

Cenegenics exemplifies the type of pioneering spirit and commitment to excellence that we aim to highlight in the 'Breakthroughs' series”

*Mark Allan, Executive  
Producer, WIP*

About Cenegenics

At the heart of Cenegenics lies a commitment to

optimizing health and fostering longevity. The organization's personalized approach considers

individual health profiles, genetic nuances, and lifestyle habits, designing tailored plans for each patient that ensure thorough and impactful care. This personalized touch extends to the integration of cutting-edge diagnostics, advanced biomarker assessments, and state-of-the-art medical technology, providing patients with the most current advancements in anti-aging and preventive medicine.

Cenegenics doesn't just treat symptoms – they empower individuals to make lasting lifestyle changes. Through their Performance Health Program, patients receive ongoing support and guidance, including regular check-ins, quarterly blood draws, educational resources, and tools to help maintain and sustain a healthy lifestyle. With Cenegenics, individuals can rediscover vitality and embrace a life of wellness.

With 29 locations across the globe, including Miami, Beverly Hills, New York City, San Francisco, Chicago, Mexico, and Brazil, Cenegenics is on a path to partner with patients wherever they are located. Learn more at [www.cenegenics.com](http://www.cenegenics.com).
