Expanding Tourism Industry Fuels Market Growth

The expanding tourism industry is a significant driver of [aerobridge market growth](#). Aerobridges enhance passenger convenience by providing a direct walk from the terminal to the aircraft, eliminating the need for stairs or buses. According to a report by the United Nations World Tourism Organization, international tourist arrivals

rebounded to 80% of pre-pandemic levels in early 2023, with around 235 million travelers. This rebound underscores the resilience of the tourism sector and its role in bolstering aerobridge demand.
