This is quirky world where the undead and the living team up to crack impossible cases!

Don't give up even if you fail. Those who persevere will surely find a helping hand...

A discounted bundle including the soundtrack is also available on Steam.

#### - Game Introduction

She's the only one who can conduct this investigation... (because she's a zombie)

Yasu Tamura, a rookie detective, has been assigned to the Special Investigation Division at District 99 Station.

His partner, Akemi Kabane, is a senior detective who happens to be a zombie....

This extraordinary duo will lead you through a series of intriguing mysteries that only the living and the undead can solve together!

#### Gather Information Through Investigation:

Conduct investigations alongside the Zombie Detective and Detective Tamura to collect crucial information for your deductions.

During the investigation phase, players can choose to move to the deduction phase at any time, even before gathering all available information.

#### Deduce the Truth and Unmask the Culprit:

Use the information you've gathered to unravel the mystery yourself.

The game features a multi-ending system where your deductions shape the outcome.

Don't worry if you fail – perseverance in gathering more information can lead you to a happy ending through built-in help systems.
