

Alutiiq, LLC Achieves Perfect Score of 110 on the CMMC's JSVAP Utilizing Cyturus Compliance and Risk Tracker

Cyturus Technologies enhances an organizations cybersecurity posture and helps meet the stringent requirements of the CMMC framework

DALLAS, TEXAS, UNITED STATES, August 13, 2024 /EINPresswire.com/ -- [Cyturus](#) Technologies, a

The Compliance and Risk tracker from Cyturus is the nerve center for our CMMC program efforts. Combined with their stellar expertise, we were able to ensure a perfect 110 score in record time”

Eric Matthews, Federal Information Security Director.

leading provider of continuous compliance and risk platform solutions, is proud to announce an ongoing strategic partnership successfully enabling Alutiiq LLC, a premier government services provider, to achieve a perfect score of 110 on the Cybersecurity Maturity Model Certification (CMMC) Joint Surveillance Voluntary Assessment Program.

This partnership underscores both companies' commitment to excellence in cybersecurity and their dedication to maintaining the highest standards of data protection and compliance. Alutiiq LLC, recognized for its comprehensive solutions and services to federal, state, and

commercial clients, engaged [Cyturus Technologies](#) to bolster its cybersecurity posture and meet the stringent requirements of the CMMC framework. Cyturus Technologies' expertise in risk management, compliance, and advanced security solutions played a pivotal role in this achievement.

Innovative Cyber Compliance Solutions for Unique Challenges

“The partnership between Alutiiq LLC and Cyturus Technologies comes at a crucial time as cyber threats become increasingly sophisticated and widespread. The Compliance and Risk tracker from Cyturus is the nerve center for our CMMC program efforts. Combined with their stellar expertise, we were able to ensure a perfect 110 score in record time” says Eric Matthews, Federal Information Security Director.

Working closely together, Alutiiq leveraged the Cyturus CRT platform to prepare for the successful completion of the U.S. Department of Defense (DoD) Defense Industrial Base

Cybersecurity Assessment Center
(DIBCAC) Joint Surveillance Voluntary
Assessment Program (JSVAP)

Commitment to National Defense and
Security

Alutiiq LLC, deeply rooted in the
Alaskan community, brings a profound
understanding of the local landscape
and its distinctive requirements. With a
mission to improve the lives of its
shareholders and the communities it
serves; Alutiiq is committed to
providing innovative solutions that
enhance both economic opportunities
and security.

Cyturus Technologies is the designated
CMMC compliance platform of the
CyberAB, the official accreditation body of the Cybersecurity Maturity Model Certification
(CMMC) Ecosystem and the sole authorized non-governmental partner of the U.S. Department of
Defense in implementing and overseeing the CMMC conformance regime. With its extensive
experience in cybersecurity and risk management, Cyturus offers the state-of-the-art compliance
and risk management technology that protect against a wide range of cyber business threats.
The award-winning CRT platform fortifies the cybersecurity posture while decreasing risk
through cyber maturity management.

Statements from Leadership

"Our partnership with Alutiiq LLC marks a significant step forward in our mission to provide
comprehensive cybersecurity solutions to all defense industrial base companies," said Robert
Hill, CEO of Cyturus Technologies. "We look forward to continuing to work closely with Alutiiq to
safeguard critical infrastructure and support the resilience of this vital ecosystem."

"This accomplishment is a testament to our team's hard work and the outstanding support from
Cyturus Technologies," says Eric Matthews. "Achieving a perfect CMMC score not only
strengthens our cybersecurity posture but also enhances our ability to serve our clients with the
utmost integrity and security."
