

Life.Church Worship releases song encouraging people to praise God in all seasons

Newest single "We Choose Praise" now available

OKLAHOMA CITY, OK, UNITED STATES, August 9, 2024 /EINPresswire.com/ -- In a time when uncertainty and anxiety are widespread, Life.Church Worship releases its new single "[We Choose Praise](#)" as a reminder to praise God through every circumstance. The group wrote the song to help people recognize God as their source of strength and joy in all seasons.

"Our hope for this song is that it will help people choose a posture of praise no matter what life throws at them," said Cassidy Estevez with Life.Church Worship. "We know songs get stuck in

people's heads, so we intentionally wrote lyrics that we want playing over and over in their minds—in the darkest of nights, in the brightest of days, we choose praise."

As a collective of worship pastors from Life.Church, the group aims to write songs that give people the words to express themselves to God through worship. Their songs are often inspired by the stories of people in their church and meant to help people draw closer to God.

"Each song we write is an authentic expression of how God is moving in the lives of the people in our church," said Estevez. "Whether we're singing songs of gratitude or acknowledging the brokenness in our lives, every song offers a message of hope and reminds people of God's love."

The latest single from Life.Church Worship, "We Choose Praise," is now available wherever music is streamed.
