

Red-D-Arc is Now an Official North American Distributor of Cooperheat Resistance Heating Equipment

CANADA, August 9, 2024

/EINPresswire.com/ -- [Red-D-Arc](#), an Airgas company, is now an official North American distributor for [Cooperheat](#) Equipment Ltd.'s resistance heating equipment. This enhances the availability and support of advanced heating solutions across the continent.

Red-D-Arc, recognized as a leading provider of welding and welding-related rental products and services in North America, has an impressive fleet of over 45,000 units. With its extensive network and industry-leading expertise, Red-D-Arc is uniquely positioned to bring Cooperheat's innovative resistance heating equipment to a broader market.

Cooperheat Equipment Ltd. is renowned for its cutting-edge heating solutions, designed to meet the rigorous demands of various industrial applications. By working with Red-D-Arc, we aim to ensure our customers can access the best resistance heating technology available.

Key Benefits of the Distributorship:

Enhanced Availability: With Red-D-Arc's vast distribution network, customers can now access Cooperheat's resistance heating equipment more efficiently and conveniently.

Expert Support: Leveraging Red-D-Arc's industry expertise positions clients to receive top-notch technical support and service.

Comprehensive Solutions: This distributorship enables us to offer a more comprehensive range of heating solutions, meeting diverse customer needs across multiple industries.

We are confident that this arrangement will set a new standard in the industry, providing superior products and exceptional service to our valued customers. We look forward to working
