

WLX | WLE Named 2024 Best Places to Work in Kansas City Honoree by Kansas City Business Journal

WLX | WLE is excited to announce its recognition as an honoree as one of Kansas City Business Journal's 2024 Best Places to Work in Kansas City.

KANSAS CITY, MISSOURI, UNITED STATES, August 9, 2024 /EINPresswire.com/ -- WLX | WLE is excited to announce its recognition as an honoree as one of Kansas City Business Journal's 2024 Best Places to Work in Kansas City. This places WLX | WLE among an elite group of only 45 companies across Kansas City, with only 10 in the 51-100 employees employment category.

“

Culture is not one person or one group. Culture is created when everyone buys into the same vision, believes in each other, and trusts the person next to them”

Sonny Catlett

The Best Places to Work in Kansas City recognition is a testament to the importance of workplace culture. To be named an honoree, a company must demonstrate a culture in which employees feel engaged, valued, and empowered. WLX | WLE is committed to fostering an

environment where employees can thrive, trust in leadership, and have ample opportunities for career growth and development.

The selection process for honorees is determined by employee feedback. Administered by Quantum Workplace, the confidential survey captures employee feedback on various workplace factors, including how well the culture supports employees' health and well-being. The honorees are selected based on these survey results, making this recognition a result of employee insights.

“In order to win this award, your company has to have a superior culture,” said Sonny Catlett, President of WLX | WLE.

“Culture is not one person or one group. Culture is created when everyone buys into the same vision, believes in each other, and trusts the person next to them.”

To qualify for the Best Places to Work in Kansas City, companies must have a minimum of five

employees in the Kansas City area with a required number of employees completing the survey. The 45 honorees are divided into five categories based on local headcount. The top three companies in each category will be announced at the Best Places to Work awards event on October 23rd at Arrowhead Stadium.
