

Detective in New Murder Mystery Walks the Line Between Good and Evil

BETWEEN ISLANDS by Robert Coburn

UNITED STATES, August 22, 2024 /EINPresswire.com/ -- Nothing beats this summer heat like a chilling crime thriller — and none more so than Robert Coburn's latest tropical mystery, [BETWEEN ISLANDS](#).

This dazzling new murder mystery centers around a family divided by good and evil, and thrust together by death.

Detective Joe Cheo comes from a family with a history of crime and corruption. Though he has never taken part in any criminal activity, his family's reputation has been a burden to carry throughout his life. Now a member of the Honolulu Police Department, that burden has never felt heavier.

Walking a fine line between his duty and his family, a recent death deposits him at the crossroads of right and wrong, where he's forced to make a difficult decision.

Set in Hawaii during the 1980s, join Detective Joe Cheo on a journey through his past and the present as he searches for answers — and stumbles upon surprises.
