

Velocity Restoration Launches Classic Ford Mustang Restomod: Combines Modern Performance and Vintage Soul

America's leading restomod innovator sets its sights on the 1967-68 Mustang Fastback and Convertible models.

CANTONMENT, FLORIDA, UNITED STATES, August 13, 2024

/EINPresswire.com/ -- After more than a decade of specializing in classic Ford Bronco restorations, Velocity expanded its lineup of American classic cars, including the 1967-68 Ford Mustang. The Velocity Ford Mustang seamlessly blends the timeless allure of the vintage Mustang's design with cutting-edge technology and modern performance enhancements. And with two available Series configurations, numerous standalone options, and the choice of Fastback and Convertible body styles, there is a Velocity Ford Mustang that fits any taste.

Thanks to movies such as Bullitt and Gone In 60 Seconds, the 1967-68 model years are the most desirable and recognizable for the [classic Ford Mustang](#), and Velocity's dedication to preserving automotive heritage is evident in each meticulously crafted build. The Velocity Ford Mustang retains the classic lines and spirit of the original car while pushing the boundaries of innovation with state-of-the-art components that offer an unparalleled driving experience.

The Signature Series Mustang shows off mag-style wheels and lots of chrome trim, while the Street Series adds a bolder style with billet accents, 19" Forgeline three-piece wheels, and unique louvers on the Fastback. Opting for the new Mustang Convertible package, available only on the Signature Series, adds a motorized soft top that is available in multiple colors.

Inside, the Velocity Vintage Ford Mustang harmoniously blends contemporary luxury elements with the classic Mustang's vintage interior design. Every detail, from the Dakota Digital instrument cluster to the Vintage Air climate control system, has been thoughtfully integrated to create an environment that is both nostalgic and comfortable. The Street Series further enhances the driving experience with custom-machined billet accessories and hand-stitched leather upholstery.

At the heart of each Velocity Ford Mustang is a powerful Gen III 5.0L Coyote V8 with an advanced 10-speed automatic transmission; customers can select a Tremec six-speed manual transmission as an optional upgrade. This Mustang rides on a Velocity Exclusive chassis from Roadster Shop that has been tuned in-house to deliver peak performance and handling capabilities. Adjustable coilover suspension and four-wheel Baer disc brakes ensure the car is smooth, responsive, and exhilarating.
