Soup and Seeds is a charitable program coined by Tano whereby a pledge is made within each city that is supporting The Tano Jones Revelry music. The Tano Jones Revelry will make either a non-perishable or a monetary donation to a selected food bank within the town that they travel to throughout the year. The goal is to leave each town just a little better than they found it while encouraging their fanbase to hopefully do the same. Soup and Seeds was officially born and launched in Madison, WI at Second Harvest Food Bank of Southern Wisconsin which is a member of Feeding America. TJR visited Second Harvest after the group performed at WMMM's Live from Studio M earlier in 2024.
