About Propstore

In 1998, Propstore founder Stephen Lane's love for movies led him to hunt for the same props and costumes used to create his favorite films. He found that he could provide collectors with

access to their most coveted pieces and establish archival standards for this new, pop-culture hybrid of fine art and memorabilia collecting—prop art.

Since 2014, Propstore has regularly hosted live auctions featuring some the world's greatest Entertainment Memorabilia treasures. Propstore specializes in film and television props and costumes, production materials, and artwork, as well as music memorabilia, posters, and collectible toys. Propstore also holds regular online auctions in association with many of the industry's major production materials and has over 5,000 items available for sale via Buy Now on www.propstore.com.
