“Our journey to being recognized on the 2024 Inc. 5000 list is a testament to the hard work, dedication and unwavering passion of our 1905 New Media team,” said John Meilink, President of 1905 New Media. “This recognition is not just a milestone—it's a celebration of our commitment to innovation and excellence. The Inc. 5000 class of 2024 represents companies that have driven rapid revenue growth while navigating

inflationary pressure, the rising costs of capital, and seemingly intractable hiring challenges. Among this year's top 500 companies, the average median three-year revenue growth rate is 1,637 percent. This year's Inc. 5000 companies have added 874,458 jobs to the economy over the past three years.

“One of the greatest joys of my job is going through the Inc. 5000 list,” says Mike Hofman, who recently joined Inc. as editor-in-chief. “To see all of the intriguing and surprising ways that companies are transforming sectors, from health care and AI to apparel and pet food, is fascinating for me as a journalist and storyteller. Congratulations to this year's honorees, as well, for growing their businesses fast despite the economic disruption we all faced over the past three years, from supply chain woes to inflation to changes in the workforce.”
