A Delicious Blend of Organic Ingredients:

Bacan is carefully crafted in small batches using meticulously selected ingredients: first-pressed organic sugar cane juice, organic Spanish star anise, and water. Skillfully and slowly mixed, the result is a clear, elegant, and versatile aguardiente, sugar-free, available in two alcohol levels:

Bacan 24 (48 Proof): With an ABV of 24%, this version is characterized by its sweet anise aroma, accented with subtle citrus notes. Its smooth entry reveals flavors of black licorice, delicate floral and herbal layers, and a lingering spice.

Bacan 29 (58 Proof): With an ABV of 29%, this light and airy liquor presents a delightful aroma of anise, black pepper, and rosemary. The anise flavor lingers on the palate, complemented by hints of citrus and ginger, finishing clean and refreshing.

Award-Winning Excellence:

Bacan has already been recognized for its exceptional quality and craftsmanship with numerous prestigious awards, including:

Bacan 24 (48 Proof):

Platinum Medal, Ascot Awards 2023
