

Exapro Expands Global Reach with New Features and Services

Exapro expands with 11 new languages, comprehensive deal management, auction services, and advanced valuation tools for global clients.

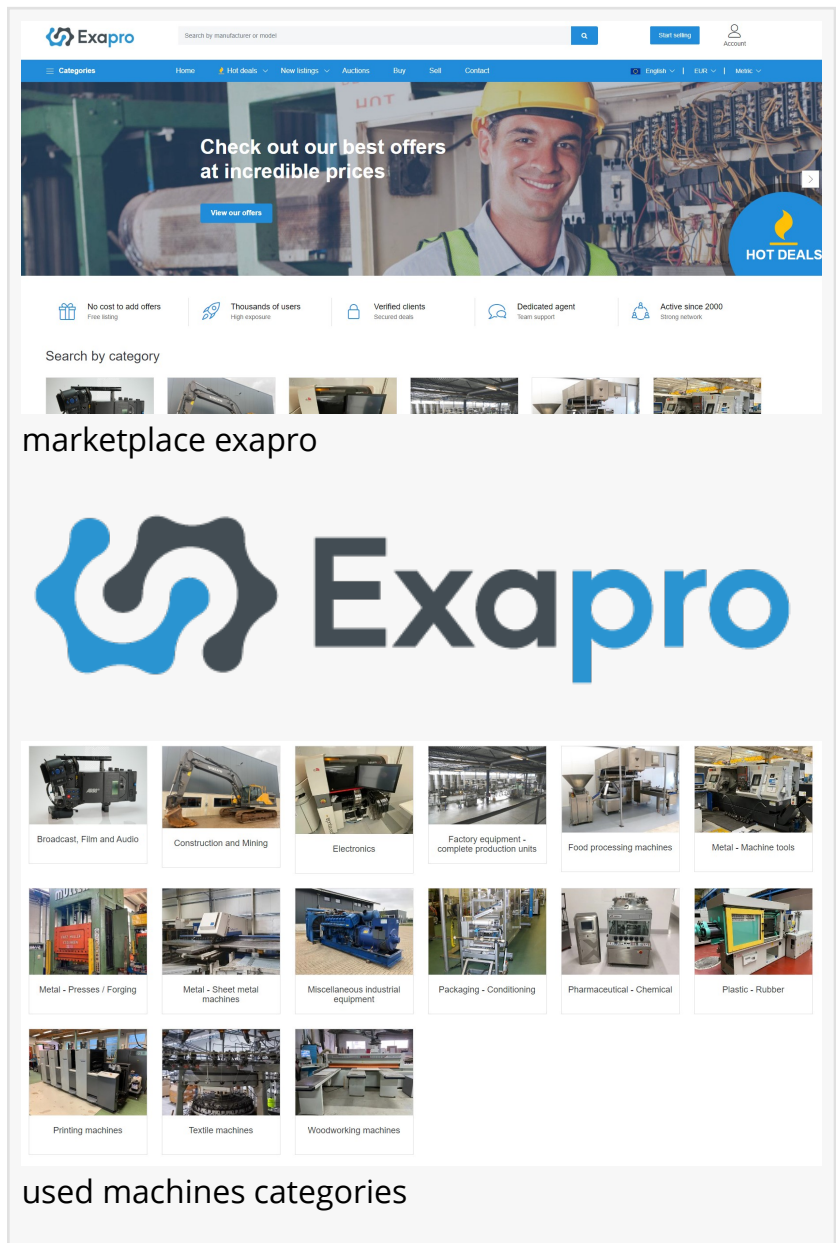

PRAGUE, CZECHIA, August 13, 2024 /EINPresswire.com/ -- [Exapro](https://www.exapro.com/), a leader in the used industrial machinery marketplace, is thrilled to announce a significant expansion designed to better serve its global clientele. Reflecting its ongoing commitment to exceptional service and innovative solutions, Exapro has introduced several new features that cater to the evolving needs of industrial professionals worldwide.

Enhanced Global Accessibility

To ensure a seamless experience for clients across the globe, Exapro has added 11 new languages to its platform. This expansion includes Portuguese, Hungarian, Croatian, Bulgarian, Dutch, Serbian, Lithuanian, Danish, Greek, Swedish, and Romanian, allowing more users to navigate and engage with the platform in their native languages. This development underscores Exapro's dedication to making industrial transactions more inclusive and efficient.

Comprehensive Deal Management

Understanding the complexities of buying and selling industrial machinery, Exapro now offers

The screenshot displays the Exapro website interface. At the top, there is a search bar and navigation links for 'Start selling' and 'Account'. Below the navigation is a main banner with the text 'Check out our best offers at incredible prices' and a 'View our offers' button. A 'HOT DEALS' badge is visible in the bottom right corner of the banner. Below the banner, there are five key features: 'No cost to add offers (Free listing)', 'Thousands of users (High exposure)', 'Verified clients (Secured deals)', 'Dedicated agent (Team support)', and 'Active since 2000 (Strong network)'. A 'Search by category' section follows, showing a grid of category icons. Below this, the text 'marketplace exapro' is displayed above the Exapro logo. The bottom section, titled 'used machines categories', features a grid of 18 category thumbnails with labels: Broadcast, Film and Audio; Construction and Mining; Electronics; Factory equipment - complete production units; Food processing machines; Metal - Machine tools; Metal - Presses / Forging; Metal - Sheet metal machines; Miscellaneous Industrial equipment; Packaging - Conditioning; Pharmaceutical - Chemical; Plastic - Rubber; Printing machines; Textile machines; and Woodworking machines.

end-to-end deal management services. From initial consultation and valuation to handling all necessary documentation and logistics, Exapro ensures a smooth and stress-free transaction process for its clients, allowing them to focus on their core business.

Innovative Auction and Valuation Tools

For clients needing quick sales, Exapro's new auction services provide a transparent and rapid solution, connecting sellers with serious buyers worldwide. Additionally, Exapro's advanced machinery valuation tools offer accurate assessments, empowering clients to make informed decisions based on reliable market data.

Support for Industry Professionals

Exapro has also enhanced its promotion services for auctioneers and dealers. By leveraging targeted advertising, SEO optimization, and content marketing, Exapro helps professionals reach a broader audience, increasing their sales potential in the competitive machinery market.

Exapro's latest developments reflect its ongoing commitment to delivering value, efficiency, and reliability in the used machinery industry. As the marketplace continues to evolve, Exapro remains the trusted partner for industrial professionals seeking to buy or sell equipment with confidence.
