economists.

Try Before You Buy

INOMICS Academy offers a free sample lesson for each course (free signup required). This allows prospective students to experience our teaching style and interactive tools before committing to a full course.

Affordable and Accessible Education

Each full course is available for just \$15.90. This pricing ensures that learners from all backgrounds can gain valuable knowledge without financial barriers.

Join Us Today

INOMICS Academy is more than just a learning platform; it's a community of economists eager to expand their knowledge and apply it in meaningful ways. Whether you're a student looking to supplement your studies, a professional seeking to refresh your knowledge, or simply someone with a passion for economics, INOMICS Academy is here to support your journey.

About INOMICS

INOMICS is an online platform that helps economics students and economists reach their academic and professional goals. This is achieved through the provision of a personalized feed of opportunities including jobs, courses, programs, summer schools, and grants, updated daily and tailored to match your own ambitions. With an expert community of over 500,000 academics and students, INOMICS has a proven track record of matching students and economists around the world with high quality economics jobs and learning opportunities.
