

Technology Lab Ranks on the 2024 Inc. 5000

With Three-Year Revenue Growth of 150% Percent, Technology Lab Ranks No. 3,247 Among America's Fastest-Growing Private Companies

NASHVILLE, TENNESSEE, UNITED STATES, August 14, 2024

/EINPresswire.com/ -- [Inc.](#) revealed today that [Technology Lab](#) ranks No. 3,247 on the 2024 Inc. 5000, its annual list of the fastest-growing private companies in America. The prestigious ranking provides a data-driven look at

the most successful companies within the economy's most dynamic segment—its independent, entrepreneurial businesses. Microsoft, Meta, Chobani, Under Armour, Timberland, Oracle, Patagonia, and many other household-name brands gained their first national exposure as honorees on the Inc. 5000.

Josh Boyd, Founder & CEO, Technology Lab

“

Our commitment to delivering top-notch IT solutions tailored specifically for K-12 schools has driven our growth and success. We are honored to be among the fastest-growing companies in America.”

“Being named to the Inc. 5000 list is a monumental achievement for Technology Lab. This recognition reflects our team’s relentless dedication and innovative spirit, as well as the trust and support of our clients,” said Josh Boyd, Founder & CEO, Technology Lab. “Our commitment to delivering top-notch IT solutions tailored specifically for K-12 schools has driven our growth and success. We are honored to be among the fastest-growing companies in America and remain firm in our mission to simplify and enhance technology for educational institutions.”

The Inc. 5000 class of 2024 represents companies that have driven rapid revenue growth while navigating

inflationary pressure, the rising costs of capital, and seemingly intractable hiring challenges. Among this year’s top 500 companies, the average median three-year revenue growth rate is 1,637 percent. In all, this year’s Inc. 5000 companies have added 874,458 jobs to the economy over the past three years.

For complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, location, and other criteria, go to www.inc.com/inc5000. All 5000 companies are featured on Inc.com starting Tuesday, August 13, and the top 500 appear in the new issue of Inc. magazine, available on newsstands beginning Tuesday, August 20.

“One of the greatest joys of my job is going through the Inc. 5000 list,” says Mike Hofman, who recently joined Inc. as editor-in-chief. “To see all of the intriguing and surprising ways that companies are transforming sectors, from health care and AI to apparel and pet food, is fascinating for me as a journalist and storyteller. Congratulations to this year’s honorees, as well, for growing their businesses fast despite the economic disruption we all faced over the past three years, from supply chain woes to inflation to changes in the workforce.”

“Joining the ranks of the Inc. 5000 is a proud moment for Technology Lab,” said James Pope, Chief Revenue Officer, Technology Lab. “This milestone reflects our unwavering focus on providing our clients with exceptional service and strategic technology solutions. It also underscores the hard work and passion of our entire team. As we continue to grow and innovate, we are excited about the future and the opportunities to further support the educational sector with superior IT services and solutions.”
