

# Freedom Energy Logistics Named Among America's Fastest-Growing Private Companies Joining the Ranks of the 2024 Inc. 5000

*For the third time, Freedom Energy Logistics achieved the Inc. 5000, at No. 4054 in 2024, with previous achievements in 2017 and 2018.*

AUBURN, NH, UNITED STATES, August 13, 2024 /EINPresswire.com/ -- Inc. Magazine revealed today that [Freedom Energy Logistics](#) (Freedom Energy) [ranks No. 4054 on the 2024 Inc. 5000](#), its annual list of the fastest-growing private companies in America. The prestigious ranking provides a data-driven look at the most successful companies within the economy's most dynamic segment—its independent, entrepreneurial businesses.

The logo for Inc. 5000, with 'Inc.' in a smaller font and '5000' in a large, bold, black font.

Freedom Energy Logistics is a leading energy advisory. The company offers comprehensive energy supply management and renewable energy solutions supporting energy goals and sustainability objectives for businesses and organizations.

"Freedom Energy is honored to be recognized for the third time among top businesses on the 2024 [Inc. 5000 list](#)," stated CEO Bart Fromuth. "Our sustained growth is a testament to Freedom's exceptional team, unwavering commitment to client advocacy, and our investment in innovative, sustainable energy solutions and our employees. We extend our gratitude to Freedom's team, strategic partners, clients, and the community for contributing to our ongoing success."

Freedom Energy, founded in 2006, is an energy advisory providing strategic energy management and sustainability solutions tailored to a diverse range of clients. Our resolute team of experts delivers customized energy solutions, objective supplier selection, innovative renewable energy options, and support for sustainability initiatives to help businesses effectively manage their energy portfolios and achieve their sustainability goals and objectives.

According to Inc., the Inc. 5000 class of 2024 represents companies that have driven rapid revenue growth while navigating inflationary pressure, the rising costs of capital, and seemingly intractable hiring challenges. Among this year's top 500 companies, the average median three-year revenue growth rate is 1,637 percent. In all, this year's Inc. 5000 companies have added 874,458 jobs to the economy over the past three years.

Our sustained growth is a testament to Freedom's exceptional team, unwavering commitment to client advocacy, and our investment in innovative, sustainable energy solutions."

*Bart Fromuth, Chief Executive Officer*

Inc's methodology for this year's list depicts companies ranked according to percentage revenue growth from 2020 to 2023. To qualify, companies must have been founded and generating revenue by March 31, 2020. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2023. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2020 is \$100,000; the minimum for 2023 is \$2 million.
