Technology Solutions Empowering Business

“

We are proud to be recognized on the Inc. 5000 list. This achievement is a testament to our team's unwavering dedication to leveraging technology to deliver real business outcomes for our clients.”

Dan DiOrio, CEO

“We are incredibly proud to be recognized on the Inc. 5000 list. This achievement is a testament to our team's unwavering dedication and innovative spirit. It reflects our commitment to leveraging technology to deliver real business outcomes for our clients – reducing risk, driving growth, increasing efficiency, and maximizing profitability. As we move forward, we remain driven by the same passion that has brought us to this milestone,” said [Dan DiOrio](#), CEO of Thinc Forward.

The Inc. 5000 class of 2024 represents companies that have driven rapid revenue growth while navigating

inflationary pressure, the rising costs of capital, and seemingly intractable hiring challenges. Among this year's top 500 companies, the average median three-year revenue growth rate is 1,637 percent. In all, this year's Inc. 5000 companies have added 874,458 jobs to the economy over the past three years.
