Counseling Group is pleased to

announce that the Greenville, South Carolina office is now accepting new patients. Located at 37 Villa Rd, the experienced team of mental health professionals is dedicated to providing compassionate and comprehensive care to individuals and families in the Greenville community and surrounding areas.

Oceanic Counseling Group understands that life's challenges can sometimes feel overwhelming. Whether struggling with anxiety, depression, trauma, grief, or relationship issues, their team is here to provide support. Their goal is to create a safe and welcoming environment where thoughts and feelings can be explored, coping strategies can be developed, and progress can be made toward a healthier, more fulfilling life.

COMPREHENSIVE MENTAL HEALTH SERVICES:

[Oceanic Counseling Group offers a wide range of mental health services](#) to meet the diverse needs of clients, including:

[Anxiety Counseling:](#) Anxiety can manifest in many forms, including generalized anxiety disorder, social anxiety, panic attacks, and more. Their counselors work with clients to identify the root causes of anxiety and develop personalized strategies to manage symptoms and improve quality of life.

[Depression Counseling:](#) Depression is a serious condition that can affect every aspect of life. Their team provides compassionate care to help navigate the challenges of depression, offering therapeutic techniques to help regain a sense of hope and purpose.

Trauma Counseling: Whether experiencing a recent traumatic event or dealing with the long-term effects of past trauma, their counselors are here to help with healing. Evidence-based approaches are used to address trauma and its impact on mental and emotional well-being.

Grief Counseling: Losing a loved one is one of the most challenging experiences anyone can face. Grief counseling services are designed to provide support and guidance as the loss is processed and the journey toward healing begins.

Marriage Counseling: Relationships can be a source of great joy, but they can also be challenging. Marriage counseling services are tailored to help couples navigate conflicts, improve communication, and strengthen their connection.

Additional Services: In addition to the areas mentioned above, counseling is offered for stress management, life transitions, family therapy, and more. The team is committed to providing individualized care that meets unique needs.

CONVENIENT & ACCESSIBLE CARE

Oceanic Counseling Group is committed to making mental health care accessible to everyone. Their office accepts Blue Cross Blue Shield and all other major insurances, including Medicaid and Medicare. The group understands that navigating insurance can be confusing and is available to help understand benefits and make the most of coverage.

The Greenville office is conveniently located at 37 Villa Rd, making it easy for residents of Greenville and the surrounding areas to access the care they need. Flexible scheduling options are offered to accommodate busy lifestyles, with the choice of in-person sessions or telehealth appointments, providing support in a way that works best for clients.

A TEAM OF COMPASSIONATE PROFESSIONALS

At Oceanic Counseling Group, the team of licensed counselors and therapists brings a wealth of experience and expertise to the table. The team is passionate about helping clients achieve their mental health goals and is committed to providing the highest level of care. A variety of therapeutic approaches are used, including cognitive-behavioral therapy (CBT), mindfulness-based therapy, and solution-focused therapy, to address specific concerns and work toward lasting change.
