

Ultimate Endgamers League (UEL) Expands with New Hub in Huntsville, Alabama in Partnership with EsportsAL

PLAYA VISTA, CA, UNITED STATES, August 13, 2024 /EINPresswire.com/ -- The Ultimate Endgamers League (UEL) is excited to announce the opening of its newest hub in Huntsville, Alabama, in partnership with EsportsAL. This partnership marks another significant step in UEL's mission to expand its reach and provide top-tier esports experiences across the United States.

About the Huntsville Hub:

EsportsAL is dedicated to being the premier destination for both competitive and casual gamers in Alabama. Located in the vibrant city of Huntsville, this new UEL hub will serve as a central location for esports enthusiasts, offering a wide range of gaming experiences and educational opportunities.

The Huntsville UEL hub will also be a key venue for UEL pro players to compete in regular season and playoff matches. Additionally, any player can participate in try-outs, combines, and mini-tournaments such as 'Friday Night Fights' and 'Hub vs Hub' battles. Participants will have the chance to win prizes, enter sweepstakes, and more, making the Huntsville hub a dynamic community for gamers of all skill levels.

Gaming at EsportsAL:

EsportsAL offers an immersive gaming environment that caters to both serious competitors and those looking for casual fun. Their coaching services are designed to help gamers elevate their skills and reach new levels of play. By joining the EsportsAL community, players can take their gaming to the next level and become part of a supportive and passionate community.

Education and STEAM Focus:

EsportsAL is not just about gaming; it's about education too. The hub is committed to providing comprehensive STEAM-focused esports education, offering courses in game design, development, streaming, and more. These programs equip students with the skills they need to succeed in the rapidly growing esports industry, laying a strong foundation for future careers.

Entertainment for All:

EsportsAL is also a premier destination for family-friendly entertainment. The facility features a virtual reality theme park and altered reality games in partnership with DiVRgence, providing a safe and fun environment for gamers of all ages. With state-of-the-art equipment and a variety

of games, tournaments, and activities, EsportsAL is dedicated to bringing the gaming community together.

Titus Walker, CEO of UEL, shared his excitement about the new partnership:

“We’re thrilled to partner with EsportsAL to launch our newest UEL hub in Huntsville. This collaboration not only strengthens our presence in the South but also brings together education, gaming, and entertainment under one roof. The Huntsville hub will be a game-changer, providing a space for players to grow, compete, and enjoy the full spectrum of what esports has to offer.”

About EsportsAL:

EsportsAL is a leading esports and technology center based in Huntsville, Alabama. Dedicated to providing top-tier gaming experiences, education, and entertainment, EsportsAL offers a wide range of programs and activities for gamers of all ages and skill levels. The facility is committed to fostering a safe and supportive environment where the gaming community can thrive. For more information, visit esportsal.org.

About Ultimate Endgamers League (UEL):

UEL is a professional esports league with 14 teams based in the USA. Established five years ago, UEL is dedicated to creating the largest and most diverse gaming community, offering secure esports experiences for all ages and skill levels. Unlike leagues focused solely on elite gamers, UEL caters to the 99% who enjoy playing multiple games across various genres, including fighting, shooting, racing, strategy, and sports.
