About NYC Second Chance Rescue:
NYC Second Chance Rescue is a 501(c)(3) nonprofit organization that was founded in 2009. With the generous contributions of their dedicated community of donors and supporters, they have successfully saved over 15,000 lives from an unimaginable fate. The primary focus of NYC Second Chance Rescue is on large breed dogs and animals in need of critical, life-saving care, as these two categories represent the majority of euthanasias in the United States. Nine out of ten animals that enter NYC Second Chance Rescue were initially slated for euthanasia at municipal shelters. Through their foster care system and brick-and-mortar shelter, they provide comprehensive medical care and a nurturing, secure sanctuary for all pets.
