TREASURE ISLAND, FLORIDA, UNITED STATES, August 13, 2024

/EINPresswire.com/ -- Suncoast Weddings is excited to announce new reception packages that can be added to a Florida beach wedding or vow renewal. A range of [Florida beach wedding packages](#) are available for couples looking to 'bundle and save' on their big day, and there is always the option to build a ceremony from scratch from their a la carte wedding page.

Adding the reception to a quote alongside the wedding ceremony is a popular choice and a good way to keep budget planning on track. With one point of contact, Suncoast Weddings can easily coordinate changes in dietary requirements, the decor for the ceremony space, accessibility requirements, or the number of guests attending the wedding or the reception.

Suncoast Weddings can carry through a color theme from the wedding or vow renewal through

to the reception venue, or the couple can choose a contrasting theme. Receptions are not limited to the evening; some couples choose a morning ceremony followed by brunch or lunch. This is a way to minimize the risk of disruption through inclement weather and take advantage of a cooler part of the day when spending time outside.

The most popular time of day to get married on the west coast of Florida remains sunset as there is the chance for glorious sunset memories and spectacular pictures for the album. The reception would then follow into the evening hours. Suncoast Weddings can suggest venues where the wedding and the reception can be held at the same location, minimizing logistics in terms of transporting guests and simplifying the arrangements.
