Shane Krauser is an [experienced trial lawyer](#) who spent over a decade as a violent crimes prosecutor and eventually dove into criminal defense. He also taught constitutional law for eleven years at the collegiate level and boasts over 3,000 speaking engagements internationally. He also founded Veritas Debate Academy, whose mission is to teach public speaking while always preserving truth and personal integrity.

Rob & Vanessa Owens' teenage son, Gavin, has enjoyed a number of Krauser's lectures. According to Vanessa, "Shane is an incredible speaker who brings both depth and enthusiasm to every topic he covers. His ability to connect with young adults and teens is unmatched, as he presents in a way that captivates his audience." She added that her son looks forward to each lecture and is able to speak with confidence to his peers with the knowledge he's gained.

Don Dickinson, a Phoenix resident whose two daughters have experienced Krauser's teaching style said, "To become an effective advocate who understands the rule of law, Professor Krauser's course is an absolute must! Learning how to think and argue 'socratically' is an elite skill, beneficial for any conversation."

Shane Krauser, a devoted and concerned father of six, is committed to fortifying youth against the chaos and deception of the radical age in which we live.

The course is available to juniors (12 and 13 years old) and seniors (14 to 18 years old) and will be offered at various locations across the greater Phoenix area.

Class will be held for two hours, once a week over two semesters. Tuition is \$375 per semester and ESA (Empowerment Scholarship Account) funds are accepted.
