

BLACK HORSE OFF ROAD UNVEILS RAMBLER GRILLE GUARDS

Custom built to fit a wide variety of popular trucks, these innovative new products offer unparalleled front-end protection along with a sleek, edgy appearance

FREEPORT, NY, UNITED STATES, August 15, 2024 /EINPresswire.com/ -- To effectively shield the front bumpers, grilles and headlights of a wide range of trucks and off-road vehicles against typical road hazards, automotive accessory industry leader [Black Horse Off Road](#) is introducing their new [RAMBLER Grille Guards](#).

Constructed from robust 4-gauge steel to provide exceptional strength for off-road and everyday use – particularly against unexpected driving pitfalls –

the new grille guards are exceptionally strong, reliable and stylish. Their durable matte sandy black powder coating finish defends against rust and corrosion, and their modular design affords easy access to vehicle headlight wings and hood, without having to dismantle the top and other side, for cleaning, troubleshooting and maintenance.

“

Our R&D team really outdid themselves this time, seamlessly blending functionality and top-of-the-line protection with a sleek, stylish road warrior look.”

Light up the night, conquer any terrain. The RAMBLER Grille Guard with 30" LED Light Bar, ready for your next adventure.

The new RAMBLER Grille Guards are compatible with parking sensors, featuring proprietary sensor relocation slots that ensure parking sensors remain functional. Their dedicated slot for a 30-inch LED light bar along with four auxiliary light mount slots (unlike competitors' products that only offer a top mount or two auxiliary lights) further enhance lighting customization and visibility. A license

plate relocation bracket, a feature unique to Black Horse Off Road, is also included to maintain

vehicle compliance.

“These new grille guards are must-have products for anyone who spends time on the road – whether it’s taking the family on vacation, the dogs to the beach, or climbing buddies on a spur-of-the-minute bouldering adventure,” explained Fadi Ajam, president and CEO of Black Horse Off Road. “Our R&D team really outdid themselves this time, seamlessly blending functionality and top-of-the-line protection with a sleek, stylish road warrior look.”
