NEW YORK , NY, UNITED STATES,
August 14, 2024 /EINPresswire.com/ --
Inc. revealed today that [Makpar](#) ranks

No. 3,211 on the 2024 Inc. 5000, its annual list of the fastest-growing private companies in America. The prestigious ranking provides a data-driven look at the most successful companies within the economy's most dynamic segment—its independent, entrepreneurial businesses.

Microsoft, Meta, Chobani, Under Armour, Timberland, Oracle, Patagonia, and many other

household-name brands gained their first national exposure as honorees on the Inc. 5000.

"Being recognized on the Inc. 5000 list is a testament to our team's unwavering commitment and expertise to helping our Federal clients achieve the right IT solutions to meet the needs of the American people," said Seema Khan, President & CEO of Makpar. "Our growth is a direct result of our dedication to delivering innovative solutions and exceptional service to our clients. This achievement inspires us to continue pushing boundaries and setting new standards in the industry. Thank you to our talented

team and valued partners for making this milestone possible."

The Inc. 5000 class of 2024 represents companies that have driven rapid revenue growth while navigating inflationary pressure, the rising costs of capital, and seemingly intractable hiring challenges. Among this year's top 500 companies, the average median three-year revenue growth rate is 1,637 percent. In all, this year's Inc. 5000 companies have added 874,458 jobs to the economy over the past three years.

For complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, location, and other criteria, go to www.inc.com/inc5000. All 5000 companies are featured on Inc.com starting Tuesday, August 13, and the top 500 appear in the

“One of the greatest joys of my job is going through the Inc. 5000 list,” says Mike Hofman, who recently joined Inc. as editor-in-chief. “To see all of the intriguing and surprising ways that companies are transforming sectors, from health care and AI to apparel and pet food, is fascinating for me as a journalist and storyteller. Congratulations to this year’s honorees, as well, for growing their businesses fast despite the economic disruption we all faced over the past three years, from supply chain woes to inflation to changes in the workforce.”
