This is a great accomplishment, and I am proud of everyone within the organization who made it possible to be selected as one of the fastest growing companies,” said Adam Low, CEO, SENTA Partners. “Our focus has always been on providing business support to physicians and their practices, empowering them to focus on providing exceptional service and personalized care to our patients. We take pride in this acknowledgment and reflect on our past growth and the growth we have ahead.”

The Inc. 5000 class of 2024 represents companies that have driven rapid revenue growth while navigating inflationary pressure, the rising costs of capital, and seemingly intractable hiring challenges. In all, this year's Inc. 5000 companies have added 874,458 jobs to the economy over the past three years.

Since being founded in 2019, SENTA has completed 15 [health care partnerships](#) and now boasts

1,100 employees, including 200 providers across 77 locations in seven states in the Southern region.
