

SAUDI ARABIA, August 16, 2024 /EINPresswire.com/ --

SAUDI ARABIA, August 16, 2024 /EINPresswire.com/ -- The Saudi government has announced a new initiative to support the growth of the technology sector. This initiative is part of the Saudi Vision 2030 and aims to create a favorable environment for startups and tech companies. The government will provide financial support, including grants and tax incentives, to eligible startups. Additionally, it will establish a dedicated fund to support the development of technology infrastructure and talent. This initiative is expected to attract significant investment and create thousands of new jobs in the tech industry.
