

eCreek IT Solutions Celebrates Milestone as a Two-Time Inc. 5000 Honoree

eCreek IT celebrates its 20th anniversary and 2nd year on the Inc. 5000 list, for supporting Colorado businesses and non-profits with IT and cybersecurity.

DENVER, COLORADO, UNITED STATES, August 15, 2024 /EINPresswire.com/ -- eCreek IT Solutions is proud to announce that for the second consecutive year, we have earned a spot on the Inc. 5000 list of fastest-growing private companies in America. As we mark our 20th year in business, this recognition reflects our dedication to providing custom [IT support](#) and [cybersecurity](#) protections to Colorado businesses and non-profits.

Founded in 2004, eCreek IT has been a trusted partner to the [Denver business](#) community, delivering strategic IT services tailored to optimize security, efficiency, and compliance. Our success is built on fostering local partnerships and empowering organizations through technology. From cloud services to data backup and cybersecurity solutions, we continue to stand out as a leader in managed IT services for small and mid-sized businesses.

eCreek IT Solutions: Celebrating 20 years of empowering Colorado businesses and non-profits with expert IT support and cybersecurity services.

eCreek IT Solutions: Celebrating 2nd year on Inc5000 fastest growing companies list

"We are deeply honored to be recognized by Inc. 5000 for the second year in a row," said CEO Scott Larson. "This milestone celebrates not just our growth, but our commitment to supporting

Colorado businesses and non-profits in achieving their goals through innovative IT solutions. As we celebrate our 20th anniversary, we look forward to continuing this journey with our clients, protecting their operations and helping them succeed in an ever-evolving digital landscape."

The Inc. 5000 honor is a testament to our incredible team and loyal clients who trust us to handle their IT needs. At eCreek IT, we provide personalized service, cutting-edge cybersecurity protection, and local support that enables our clients to focus on their mission.

As we celebrate 20 years of success, we're excited to keep growing, expanding, and helping organizations thrive with the right technology.
