

# YMS Recognized as G75 Partner in Supply Chain Sustainability

*#1 YMS raises the bar for sustainability excellence*

OXFORD, MICHIGAN, USA, August 16, 2024 /EINPresswire.com/ -- Yard Management Solutions (YMS) has been honored by Inbound Logistics as one of the 75 Green Supply Chain Partners (G75) for 2024. This prestigious recognition highlights YMS's commitment to delivering innovative yard management software that significantly reduces the environmental impact of supply chain operations.

## Yard Management Solutions

Bring visibility to your yard with YMS

### Leading the Charge in Sustainable Supply Chain Solutions

“

Shipping yards have tremendous potential to lead the way in sustainable practices, and this recognition as a G75 Partner reflects YMS's success in bringing that potential to life.”

*Colin Mansfield*

Each year, Inbound Logistics selects companies that demonstrate leadership in sustainability, creating a more environmentally responsible supply chain. YMS's inclusion in the 2024 G75 list underscores its dedication to reducing carbon emissions and enhancing operational efficiency through cutting-edge yard management technologies.

“Shipping yards have tremendous potential to lead the way in sustainable practices, and this recognition as a [G75 Partner](#) reflects YMS's success in bringing that potential to life,” said Colin Mansfield, Company Vice President. “YMS

remains committed to providing innovative solutions that help our clients achieve their sustainability goals while improving operational efficiency.”

### Innovation Driving Real-World Impact

YMS's solutions feature advanced GPS technology that enables more efficient yard operations with reduced manpower. A key innovation is the GPS-based move assignment system, which
