The complaint alleges during the Class Period, Defendants engaged in a plan, scheme, conspiracy and course of conduct, pursuant to which they knowingly or recklessly engaged in acts, transactions, practices and courses of business which operated as a fraud and deceit upon Plaintiff and the other members of the Class; made various untrue statements of material facts and omitted to state material facts necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading; and employed devices, schemes and artifices to defraud in connection with the purchase and sale of securities. Such scheme was intended to, and, throughout the Class Period, did: (i) deceive the investing public, including Plaintiff and other Class members, as alleged herein; (ii) artificially inflate and maintain the market price of Lifecore securities; and (iii) cause Plaintiff and other members of the Class to purchase or otherwise acquire Lifecore securities and options at artificially inflated prices. Investor Action Steps: Shareholders who incurred losses during the class period, have until September 27, 2024, to move the court to become a lead plaintiff in this action. A lead plaintiff will act on behalf of all other class members in directing the class-action lawsuit. The lead plaintiff can select a law firm of its choice to litigate the class-action lawsuit. An investor's ability to share any potential future recovery of the class action lawsuit is not dependent upon serving as lead plaintiff.
