By leveraging AI with Hire Mia, we're helping job candidates create standout application materials and follow-up emails that can make a real difference in their job search."

*Garrett Moon, CEO of  
CoSchedule*

AI-powered writing tools with the introduction of three new generators aimed at job seekers. These tools, powered by CoSchedule's AI Writing Assistant, Hire Mia, are designed to improve the job application process by helping candidates create professional and engaging application materials.

The newly released tools include a [Cover Letter Generator](#), [AI Bio Generator](#), and [Follow-Up Email Generator](#).

The Cover Letter Generator crafts personalized and compelling cover letters tailored to specific job applications.

The AI Bio Generator helps users create professional and engaging bios for various platforms and purposes.

The Follow-Up Email Generator is designed to help job seekers craft effective follow-up emails after interviews or applications.

Job seekers, career coaches, and HR professionals can use these tools, available now for free on CoSchedule's website at [coschedule.com/ai-writing-tools](https://coschedule.com/ai-writing-tools).
