

SourceFuse Makes the Inc. 5000 List for the 6th Time!

The company continues its streak as one of America's fastest-growing private businesses

JACKSONVILLE, FLORIDA, UNITED STATES, August 19, 2024

/EINPresswire.com/ -- [SourceFuse](#), a strategic digital transformation company helping businesses evolve through cloud-native technologies, announced today that for the 6th time, it is recognized by Inc. 5000 on its 2024 annual list as one of the fastest-growing private companies in America - ranked at 2135, 234 in Florida, and 7 in Jacksonville.

The prestigious ranking provides a data-driven look at the most successful companies within the economy's most dynamic segment—its independent, entrepreneurial businesses. Microsoft, Meta, Chobani, Under Armour, Timberland, Oracle, Patagonia, and many other household-name brands gained their first national exposure as honorees on the Inc. 5000.

Kelly Dyer, Executive Chairman & Co-Founder, SourceFuse comments on the achievement, "We are incredibly honored and proud to make the Inc. 5000 list for the sixth year. To achieve this milestone once is an accomplishment, but to do it six times is a true testament to our company's enduring spirit and commitment to excellence. We are excited to continue building upon our success and delivering exceptional value to our customers and driving positive change in our industry".

The Inc. 5000 class of 2024 represents companies that have driven rapid revenue growth while navigating inflationary pressure, the rising costs of capital, and seemingly intractable hiring challenges. Among this year's top 500 companies, the average median three-year revenue

growth rate is 1,637 percent. In all, this year's Inc. 5000 companies have added 874,458 jobs to the economy over the past three years.

For complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, location, and other criteria, go to www.inc.com/inc5000. All 5000 companies are featured on Inc.com starting Tuesday, August 13, and the top 500 appear in the new issue of Inc. magazine, available on newsstands beginning Tuesday, August 20.

"One of the greatest joys of my job is going through the Inc. 5000 list," says Mike Hofman, who recently joined Inc. as editor-in-chief. "To see all of the intriguing and surprising ways that companies are transforming sectors,

from health care and AI to apparel and pet food, is fascinating for me as a journalist and storyteller. Congratulations to this year's honorees, as well, for growing their businesses fast despite the economic disruption we all faced over the past three years, from supply chain woes to inflation to changes in the workforce."

“

To achieve this milestone once is an accomplishment, but to do it six times is a true testament to our company's enduring spirit and commitment to excellence."
