“

We are thrilled to double our treatment capacity with the addition of our second Heat Assault unit. Our expanded fleet allows us to offer our effective, one-day & done treatment across Central Florida”

*John Wieber*

This upgrade allows the company to better meet the needs of [commercial buildings](#), retirement homes, assisted living facilities, and large residential properties.

John Wieber, a spokesperson for Bed Bug Exterminator, shared his excitement about this development: “We are thrilled to double our treatment capacity with the addition of our second Heat Assault unit. Our expanded fleet allows us to offer our highly effective, one-day & done treatments across Central Florida, from the beaches of Clearwater to Naples and across to Daytona and Melbourne. With a 98% success rate and guaranteed results, our team is

committed to delivering top-quality service and peace of mind for our clients.”

While other companies offer thermal remediation or heat treatments (because they use inferior equipment), Bed Bug Exterminator stands by the effectiveness of the Heat Assault system. To ensure you’re getting the bed bug [heat treatment](#) available, always ask for the Heat Assault by name.

The company's enhanced capabilities make it a go-to solution for those seeking fast, reliable, and comprehensive bed bug treatments. By focusing on high-impact, same-day results, Bed Bug Exterminator continues to solidify its reputation as a leader in bed bug eradication across the region.
