Revol One Financial, a leading innovator in the fixed annuity industry, unleashes two new FIA products: the Enduris 10 Bonus FIA™ and the Enduris 10 FIA™.

URBANDALE, IA, UNITED STATES, August 19, 2024 /EINPresswire.com/ -- [Revol One Financial](#), a leading innovator in the fixed annuity industry, unleashes two new fixed index annuity (FIA) products: the Enduris 10 Bonus FIA™ and the Enduris 10 FIA™. These longer-duration products are designed to meet the diverse needs of clients planning for retirement.

[Enduris 10 Bonus FIA™ provides](#) a significant advantage with its special introductory premium bonus rate of 16%. This bonus accumulation value grows in tandem with the accumulation value,

whether through a fixed rate or index crediting, enabling clients to maximize their retirement planning potential. Patrick Cahill, Chief Distribution Officer, emphasizes the impact: "The special introductory bonus rate offers a great opportunity for our distribution relationships and financial professionals to help their clients build a stronger retirement future."

[Enduris 10 FIA™ stands out](#) in the industry, boasting a Best Entry feature which offers protection against significant early downward index movement.
