“

It's our mission to provide full and fair valuations for any classic car whatever condition it's in.”

Douglas Berry

top-rated classic car buyer in California at <https://dustycars.com/>, is proud to announce recent sales of classic Porsches. Popular models such as the 1980s Porsche Carrera Cabriolet and 1970s Targa receive accurate valuations and pricing from the top [Porsche 911](#) valuation service.

“It's our mission to provide full and fair valuations for any

classic car whatever condition it's in. Yes, this is good for the seller, but also the brand itself,” stated Douglas Berry, the visionary founder of Dusty Cars. “Porsche has a long history of innovation and stunning cars. Collectors buy and sell Porsche 911s both for joy and as investment opportunities.”

Buyers and sellers of a classic Porsche can review recent sales on the Dusty Cars website at <https://dustycars.com/recently-sold-cars/>. The company specializes in Porsche 911 valuations, among other types of classic car appraisals and valuations. Owners ready to sell a classic Porsche can contact the company for a professional valuation and fast cash offer. The car's condition is not a concern for the Dusty Cars team.

Every classic Porsche is considered to have a level of value.

For example, a 1954 Porsche 356 pre-A coupe (<https://dustycars.com/classic-cars-for-sale/1954-porsche-356-pre-a-coupe/>) was purchased in a rusted and torn condition. A unique characteristic included all original parts of the vehicle. It can be rare to find a 1950s Porsche with an authentic steering wheel, transmission, wheel covers, and interior radio with in-tact knobs. A fair valuation was made and a fast cash offer was accepted.

A 1975 Porsche 911s Targa (<https://dustycars.com/classic-cars-for-sale/1975-porsche-911s-targa/>) was subject to a valuation, and a quick cash offer was made. The model was in excellent

condition, with original paint and interior always garaged, 114,000 miles, and one owner.

Thirdly, the Dusty Cars team was contacted for a 1989 Porsche 911 Carrera Cabriolet valuation (<https://dustycars.com/classic-cars-for-sale/1989-porsche-911-carrera-cabriolet/>) and quickly responded. The car had a consistent service record, was garaged, and was in beautiful original condition. A quick cash offer was made, and the classic sports car was re-sold to a Porsche enthusiast.

A PORSCHE 911 VALUATION SERVICE MEANS FACT-BASED OFFERS

The prospect of selling a classic car, such as a Porsche 911, can be different from selling a standard older automobile. The value of an old car can commonly decrease over time, while a classic car may increase or maintain value. Even Porsche 911s from the 1960s, 1970s, and 1980s that seem to be in "poor condition" can actually have a high valuation. To receive a reliable vehicle appraisal, an owner may have to bypass traditional used car businesses and locate a professional Porsche 911 valuation service such as Dusty Cars.
