"My goal is to bring my work as close to the truth as possible," says Mac. "I pray for the paintings and they appear. My hope is that they help others see beyond the veil of our perceived reality and open us up to the truth of our power and unity."

## Artistic Journey:

Kim Mac, a 26-year-old Scottish/Brazilian visual artist, has crafted this collection primarily in Brazil, reflecting her dual heritage. Over nine months, Mac immersed herself in the Brazilian landscape and culture, which significantly influenced the creation of these powerful pieces.
