PITTSBURGH, PA, UNITED STATES, August 19, 2024 /EINPresswire.com/ -- MyWay Mobile Storage is excited to sponsor the Pittsburgh Irish Festival, set to take place from September 6th to 8th at the iconic Carrie Blast Furnaces National Historic Landmark in Pittsburgh, PA. This 33rd edition of the festival, a three-day celebration of Irish culture, promises an enriching experience that blends music, dance, folklore, and cuisine. Established in 1991, the Pittsburgh Irish Festival has grown into one of the nation's premier Irish-American festivals, offering a vibrant showcase of Irish heritage.

Festival-goers can expect an array of events and activities that honor Irish traditions. From continuous entertainment featuring premier Irish musicians and dancers to a variety of cultural displays and interactive experiences, there's something for everyone. Tickets and parking passes can be purchased in advance online at the festival's official website, ensuring a smooth and enjoyable experience for all attendees.

Musicians are especially encouraged to bring their instruments for free entry, allowing them to join others in creating an atmosphere of musical camaraderie in the session tent. This opportunity to participate in spontaneous music sessions is just one of the many highlights of the festival.

MyWay Mobile Storage is contributing over a dozen storage containers to assist with the festival's logistical needs. Matt Stapleford, owner of MyWay Storage, expressed his enthusiasm for the event, noting that such festivals are integral to Pittsburgh's cultural fabric. Stapleford also highlighted the affordability of the festival's college night, where students can enjoy the festivities for just \$10 with a valid student ID between 6 PM and 8 PM.
