For Job Seekers, this event offers a chance to explore a variety of IT roles. Opportunities include positions for developers, system administrators, and cybersecurity experts. Attendees can network with hiring managers from prominent companies across the USA. The event also provides access to career resources, including insights from industry professionals on navigating the job market.

For Employers, the Virtual IT Job Fair provides an efficient way to connect with skilled IT professionals. The event is designed to help companies build their talent pipeline and fill open positions. Employers can also use this platform to highlight their company culture and attract qualified candidates.

The graphic features the JobsnProfiles logo with a magnifying glass icon and the tagline "Right Job For You". The main text reads "FREE VIRTUAL IT JOBFAIR" in large, bold letters, followed by "29th August, 2024". Below this, it says "Discover opportunities with leading tech Companies." and includes a "Register Now" button. A circular inset image shows a man in a blue shirt and cap looking at a document at a booth. At the top right, a quote says "Explore Exciting IT Career Opportunities". At the bottom left, contact information is provided: "Mobile : +1 510-320-1346" and "Email : jobfair@jobsnprofiles.com". At the bottom right, there are social media icons for Facebook, Instagram, Twitter, and YouTube, with the word "Follow:" preceding them.

The JobsnProfiles Support Team shared, "Our goal is to support job seekers and employers in reaching their career objectives. This Virtual Job Fair is a practical step toward that goal."

JobsnProfiles has built a reputation for making the job search process straightforward for IT professionals. The platform features an AI-powered resume parser that accepts PDF and DOCX files, allowing users to create profiles and upload resumes easily. A resume builder tool is available, offering templates and AI guidance to help users craft professional resumes quickly.

Through the platform's intuitive design, job seekers can browse job listings, apply for positions, and connect with employers. Employers have access to tools that assist in managing job postings, viewing resumes, and engaging with potential hires.
