Strong Future Growth Anticipated

The single deck boat market is projected to continue its strong growth, reaching \$4.29 billion in 2028 at a compound annual growth rate (CAGR) of 13.2%. The growth in the forecast period can be attributed to increasing demand for eco-friendly boats, technological advancements in boat manufacturing, growing popularity

of electric and hybrid boats, a rise in marine tourism and adventure boating, an expansion of boat rental and sharing services, and a digital transformation in sales and marketing.

Growth Driver Of The Single Deck Boat Market

The growth in recreational boating and water sports is expected to propel the growth of the single deck boat market going forward. Recreational boating and water sports encompass a variety of leisure activities conducted on water, including boating, sailing, fishing, kayaking, jet skiing, and other water-based sports and pastimes for enjoyment and relaxation. The rising

adoption of recreational boating and water sports is driven by increased disposable incomes and a growing interest in outdoor and adventure activities. Single-deck boats are favored in recreational boating and water sports for their straightforward handling, spacious interiors, and suitability for a variety of activities such as fishing, cruising, and leisurely outings on the water.

- 1) By Power Source: Internal Combustion Engine (ICE), Electric
- 2) By Size: Small, Medium, Large
- 3) By Application: Wakeboard, Fishing, Wakesurf, Other Applications

Geographical Insights: Asia-Pacific Leading The Market

Asia-Pacific was the largest region in the single deck boat market in 2023. The regions covered in the single deck boat market report are Asia-Pacific, Western Europe, Eastern Europe, North America, South America, Middle East, Africa.

Single Deck Boat Market Definition

A single deck boat is a type of vessel that features only one main deck above the hull, without additional upper or lower decks. These boats are often used for leisure activities, fishing, or small-scale transport. They offer a simpler design and are typically easier to navigate and maintain compared to multi-deck boats.

[Single Deck Boat Global Market Report 2024](#) from The Business Research Company covers the following information:

- Market size data for the forecast period: Historical and Future
- Market analysis by region: Asia-Pacific, China, Western Europe, Eastern Europe, North America, USA, South America, Middle East and Africa.
- Market analysis by countries: Australia, Brazil, China, France, Germany, India, Indonesia, Japan, Russia, South Korea, UK, USA.

Trends, opportunities, strategies and so much more.

The Single Deck Boat Global Market Report 2024 by The Business Research Company is the most

comprehensive report that provides insights on single deck boat market size, single deck boat market drivers and trends, single deck boat market major players, single deck boat competitors' revenues, single deck boat market positioning, and single deck boat market growth across geographies. The single deck boat market report helps you gain in-depth insights into opportunities and strategies. Companies can leverage the data in the report and tap into segments with the highest growth potential.
